DESIGN STUDIO

A hand is shown using a silver laptop. The laptop screen displays a website design with the word "SIMPLICITY" in large, bold, black letters. Below the word, there are two columns of text: "EASY TO MANAGE" and "EASY TO READ". The background of the image is dark and features several camera lenses of various sizes and colors (black, green, blue) arranged in a circular pattern.

ABOUT US

We design to communicate. We take pictures to influence. We make videos to tell stories and sell.

At Pixelpro Design Studio, we're all about creativity and results. Our services, including Advertising Photography, Video Production, and Design services, are designed to help businesses like yours stand out and achieve their goals. Whether you're in the food and beverage industry, manufacturing, retail, advertising and marketing, pharmaceutical, banking, or real estate, we have the expertise and experience to help you succeed.

With over 25 years in the business, and a portfolio of over a hundred satisfied clients, we're proud to say that we've built a reputation for delivering high-quality images, videos, and designs that help our clients elevate their brands and achieve their goals. Our founder, Ronnel Cuison, established Pixelpro Studio in 1998 and our fully-equipped studio is located in Ortigas Center, Pasig City, Philippines.

OUR MISSION AND VISION STATEMENT

Our Mission

Our mission is to create compelling and impactful visual content that tells our clients' stories and helps them achieve their business goals.

Our Vision

Our vision is to be the premier video production company in our industry, known for our creativity, innovation, and exceptional customer service. We strive to exceed our clients' expectations and deliver outstanding results every time.

Integrity:

We operate with integrity and honesty in all aspects of our business and always prioritize the best interests of our clients.

Professionalism:

We conduct ourselves with the utmost professionalism and are committed to delivering exceptional customer service at all times.

DESIGN

The world's most well-known brands are instantly recognized by their pictures, logos, unique color schemes, and even fonts. For more than 22 years, we mastered the art of design with elements that help brands communicate who they are, what they stand for, and what sets them apart from the competition.

Investing in a good design studio does not require breaking the bank. We will help you eliminate much guesswork involved in design with research that will dig right into your brand. Designs that grab attention, create an impactful statement, make a good impression, and establish credibility are part of our DNA.

VIDEO PRODUCTION

We deliver videos that breathe life into brands so that they have a bigger story to tell. If you have not embarked on a video marketing campaign, chances are you will be left behind. Incorporating video and audio elements in advertising – whether in-store or online - engages viewers and encourage them to experience your product or brand with a solid call to action.

At PixelPro, we provide fresh and innovative visual solutions – from conceptualization to delivery – that will allow your product or brand to connect with target customers in a personal way. Utilizing this strategy helps you build more profound and more personal relationships with your current clientele and help you draw in new customers.
